

CITY CONTINUES MEETING WITH RESIDENTIAL REBUILD ZONE CAPTAINS

The City continues to hold weekly meetings with our Rebuild Zone Captains to gather neighborhood-specific insights and strengthen homeowner support throughout the rebuilding process. These Captains serve as an essential connection between fire-impacted property owners and the City—helping improve access to resources, expedite problem-solving, and ensure consistent feedback.

All homeowners rebuilding are encouraged to connect with their Rebuild Zone Captain for questions or challenges related to their project.

For immediate assistance, please call **310-456-2489, ext. 400**.
